Volunteer - it's your pool!

We need volunteers to help prepare the pool for the season, we will begin on April 8th and work every weekend in April and the first weekend in May. This work must be done in order for the pool to open on time!

April 8th and 15th - Mulching and weeding

April 22nd and 29th - mowing, cleaning bathrooms and snack bar

May 6th and 7th - cleaning the decks, both pools, spot painting and begin to fill the main pool!

We have had positive feed back from our members regarding the more organized method for volunteer time. This is for the preservation of the pool. The pool does not bring in enough in dues alone to pay for all the maintenance required during the season. As a member owned pool it is up to the members to help maintain the pool for the future. If you prefer you may use the \$30 buy out option.

You may also fulfill your volunteer time by sponsoring a new member to join. Remind them to list your name on the application.

The board is continuing to work to revitalize our pool. We are always looking for ways to serve our members and the community with our programs. If you have an idea for a program, event or fund raiser please let a board member know or become a board member yourself!
